Interview Tips

StreetsU Advisors:
Streets University Advisors are selected based on their experience, skills, knowledge, abilities and commitment to being a positive role model for youth involved.

Arrive Early: It is a good idea to arrive about 10 minutes early for an interview. Be patient while waiting for your interview – the interview process for all students may take some time and the waiting period may vary depending each business owner(s) schedule.

Dress for Success: Dress appropriately for an interview. More tips and information are provided during instruction.

Greet the Business Owner with a Firm Handshake: Smile, offer a firm handshake, immediately introduce yourself. During the interview, sit with good posture. If you don’t know what to do with your hands, keep them folded in your lap. This is another indication of good manners.

Eye Contact: Maintain eye contact with your prospective program sponsor. Show you want their sponsorship support with your interest.

Electronic Devices: Cell phones, Tablets or any item of this nature should be turned off or placed on silent mode during your interview time.
